**ITA** • Il “**costetoste**”, unico aglianico in Abruzzo, proviene dal nostro vigneto Le Coste: un terreno ripidissimo e completamente esposto a Sud. Estreme condizioni agronomiche per un vino altrettanto estremo. Tannini feroci e muscoli in vista, ne fanno un rosso senza compromessi.

**ENG** • The “**costetoste**” is the only Aglianico made in Abruzzo, from our vineyard Le Coste: a steep and difficult soil, totally exposed to the South, with extreme agronomic conditions. Hence, extreme this wine is! With violent tannins, it is a muscled and uncompromising red. Costetoste means just this, hard and tough. And you'll love it.
